

Classmates,

For those attending the 50th Reunion, attached are two forms regarding our Medallion Ceremony. . One is to capture your data entries for the Medallion Ceremony. Please E-Mail your data entry form back to me ([quigsthornecga@gmail.com](mailto:quigsthornecga@gmail.com)) and Mike Sprague. ([spraguem53@gmail.com](mailto:spraguem53@gmail.com))

The second attachment is an example for properly pronouncing names as necessary. . If your last name is simple, like SMITH or THORNE, pronunciation column can be left blank.

Those attending the Reunion will receive their Medallions from the Commandant, ADM Carl Schultz. The Medallion Ceremony will take place on Friday in Roland Hall, 3rd deck (basketball court) at 4:30 sharp. Our Class will receive bus transportation to Roland Hall after the cadet review. Traditionally, our classmate chosen (by lottery) to troop the line with the Supt at the review sits in the first seat, first row, along with their spouse in Roland Hall. Widows will follow in the first row; the class will then follow in alphabetical order. Spouses are seated next to you (or your 1 guest). Nametags will be placed on the seats.

ALUMS receive one large Medallion to be placed over their head; one small Medallion will be in a box placed on or under the seat and will include a 50 year pin. The other empty box is to store the large Medallion.

WIDOWS receive one large Medallion placed over their head. The empty box placed on or under the seat is to store the Medallion and will include a 50 year pin..

PLEASE stand and remove your hat and glasses as the Commandant approaches you so there will not be problems when the Medallion is placed over your head. Your name will be read as he places the Medallion around your neck and shakes your hand. A PHOTO will be taken at that time. Should someone not be in their seat for any last minute reasons, please DO NOT move over or let anyone sit in that seat. The name of that individual will still be read and their picture shown on a screen; the Commandant will just pause. If you are next in line, please do not stand until that name of the missing individual has been read; then stand as the Commandant approaches you..

The GOOD NEWS is that the President of the Alumni Association, Capt Andrea Marcille, will give these directions again at our Friday afternoon reception in the Alumni Building.

Regards, Bob Thorne
